OBJECTIVES

To secure a challenging position in a reputed organization where I can apply my skills and knowledge effectively. I am highly motivated to learn, grow, and contribute to organizational success. Seeking opportunities that encourage professional development in a reputed and dynamic work environment. Committed to delivering quality work while continuously improving my technical and personal abilities.

PROJECT

Personal Portfolio Website:

- Developed a responsive personal portfolio website using HTML and CSS, with 6+ sections including Objective, Education, Skills, Certifications, Projects, Internship, and Resume.

Rainfall Prediction model

- Developed a Machine Learning model to predict rainfall using historical weather data. Performed data cleaning and preprocessing using Pandas. Python and google collab used to train the model.
- Achieved 99% prediction accuracy on test dataset Used Python, Pandas, Scikit-learn for model development. Decision Tree Algorithm Used in the model.

TECHNICAL SKILLS

- Python
- MySQL, SQL (CRUD operations, basic joins)
- Cloud (AWS basics)
- HTML, CSS
- Machine Learning (Basics)
- R Programming (basics)

INTERNSHIP

MAY 2025 - JUNE 2025

ZOHO TECHNOLOGY

- Deployed web applications on AWS EC2 using IAM, ensuring secure and reliable deployments. Used Git for version control and supported CI/CD automation. Monitored logs and optimized Cloud resources for better performance.
- Gained hands-on exposure to AWS Load Balancing (ELB – basic concepts) by understanding traffic distribution, high availability, and fault tolerance in cloud-based applications

EDUCATION

- | | |
|--|--------------------|
| Bachelor of Computer Applications (BCA)
Hindustan College of Arts and Science, Chennai | 2023 – 2026 |
| Higher Secondary Certificate (HSC)
Chennai Higher Secondary School, Maduvinkarai, Guindy, Chennai | HSC-2023 |
| Secondary School Leaving Certificate (SSLC)
Chennai Higher Secondary School, Maduvinkarai, Guindy, Chennai | SSLC-2021 |

CERTIFICATIONS

- | | |
|------------------------------------|------------------|
| WEB DESIGNING | DEC-2023 |
| TATA CRUCIBLE QUIZ PRELIMS LEVEL 1 | NOV-2025 |
| CLAUDE CODE IN ACTION | FEB-2026 |
| DIGITAL LITERACY (SUTHERLAND) | JULY-2016 |
